Agents' Information - Pullack 10 October 1949

Chief of Station, Karlsruhe

Chief, Pullack Operations Base

Operational

CODE: Viktor LARIONOV

WCK-A-10912, WCK-T-2652

1. BARANOVSKI has admitted that a Viktor LARIONOV has been used by him as a "co-worker" for the last two years. However, BARANOVSKI insists that LARIONOV is not a staff member of his organization but is working for him and in agent capacity. As an agent his salary is not fixed, but he is paid according to the material he produces; in April 1949 the payment was \$ 700.

2. As for the DOBROGOLSKI angle (WCK-A-10912) LARIONOV has not been requested by ODEU to check this complex. LARIONOV's general mission, we are told, has been to report on suspicious Russians, and in that category a considerable amount of material on DOBROGOLSKI has been collected. (We have been produced a summary of ODEU knowledge of DOBROGOLSKI.)

3. We expect to be able to submit further details on the role of LARIONOV and his activities within BARANOVSKI's show to you.
